

The Eclectic Alternative to Your Usual Musical Diet

Who We Are

Nooch is a multi-genre quartet playing savory instrumental takes on rock, funk, and fusion covers, and Nooch originals. Mike, Earl, Paul and Ron are seasoned musicians with a wide range of musical backgrounds who create an eclectic mix of songs to enhance your venue's ambiance. Nooch's silent stage sound system controls all instrument centrally to ensure clear, crisp music at right volume for your venue, crowd size, and intended "vibe."
